

Culbreth Middle School 2009-2010 iPod touch Use Contract

It is the responsibility of each student to ensure that student-loaded files and applications do not consume disk space needed for instructional or educational requirements. All school apps must be on the iPod touch each day and any apps added by a teacher during the school year must be added as well. All school apps must remain loaded on the student's iPod touch each day. Otherwise a student may sync at home and not remember to sync school apps.

Students MAY NOT add, modify or delete files, applications or system preferences on school equipment unless directed to do so by the Technology Specialist.

The following are prohibited:

- Pornographic, obscene, or vulgar content.
- Downloading, uploading, sending, or importing inappropriate content.
- Illegal use or transfer of copyrighted materials to a school owned computer.
- Sharing of any passwords for any reason, other than with staff members.

Breach of the above rules may result in removal of access to iPod touch privileges.

Students may only carry one iPod touch at a time, and must place it away at teacher instruction.

Students who damage equipment will be responsible for its repair or replacement.

Responsible Use

Cyber Bullying is bullying which is carried out through an Internet service such as email, chat room, discussion group or instant messaging; or through mobile phone technologies such as short message services (SMS). It may also include inappropriate use or distribution of images, videos or audios of another person. Any form of cyber bullying will not be tolerated under any circumstances.

If a student accidentally accesses inappropriate content, they should move on without drawing unnecessary attention, or inform the teacher quietly if needed.

Students will not access chat-rooms or social networking sites and will not give out any personal details over the Internet.

Students will be respectful of others when using iPod touches.

Use of headphones is at teacher instruction only.

Parents, together with students, will be responsible for home iPod touch use.

Each student is responsible for his/her own iPod touch. As such, the following guidelines should be observed:

iPod touches must be brought to school, fully-charged, every day of the school week.

Lost iPod touches must be replaced by the student as soon as possible.

If a student damages someone else's iPod touch, they shall be responsible for replacing or repairing the broken hardware/software. Hence, students will not use someone else's iPod touch without their permission.

I agree to abide by the conditions of the iPod touch Contract and Responsible Use Policy:
